**PAYCE**

HELPING YOUR EMPLOYEES,  
HELPING THE COMMUNITY

**Payce is a private-label, cash-back program that lets members earn with their everyday purchases.**

### What are your goals?

**Payce can help you get there at no additional cost.**

- Members earn cash back by shopping at their favorite retailers in-store and online
- More than 1,200 stores and restaurants in the program with 60,000 locations across the country
- Cash back averages 5%
- Rewards are automatically accrued
- No cost to you, the program is 100% funded by participating merchants

**The Payce program is designed with your needs in mind.**

The platform promotes employee participation and engagement to help the wider community.

Rewards earned through the program can be funneled to just about any outcome.

Participants aren't required to change existing behavior, as the program features stores they already know and love.

### How does it work?

Customers sign up with an email address or social login

Members shop online or in-store with personal cards

Earnings go into an account administered by you
